## blaugelb Hardware Fitting Spray

A special maintenance and care agent for all movable fitting parts and the mechanics on windows, doors, gates and garages. The hardware spray effectively protects against dirt and corrosion, extends the service life of the hardware components and reduces the risk of consequential damage.

Product advantages:

- Effectively protects against wear and dirt
- Loosens stuck mechanisms
- Does not attach paints and PMMA films
- Has an antistatic effect
- Is free of resin and acids, gentle on metal surfaces
- Silicone-free
- Has a permanent corrosion-protecting effect
- No run-off from mechanical parts
- Resistant to salt water
